

## DEAR GOLDEN EAGLE FAMILY...

As a former graduate, teacher, and now Principal of Clovis West, it is truly a privilege and an honor to be part of the Golden Eagle Family, and we are certainly in a time where family and community matter the most!

Let's make the 2020-21 school year a time where we come together to help each other for the sake of each and every Golden Eagle student.

The Clovis West Foundation is an avenue to continuing this support. By becoming a member, you are continuing the successes of our academic, athletics, and co-curricular programs.

Through fundraising efforts, the Foundation has been able to support programs, offer student scholarships, and provide classroom grants for innovative teachers.

Your support and commitment to our community of students is greatly appreciated. We look forward to helping our students be the best they can be in mind, body, and spirit as we start the 2020-21 school year with some very unique circumstances.

This community is amazing and special!

Thanks again!!

Principal
